Madison Female Institute.

RICHMOND, KY. Boarding and Day School for Young Ladies

Thirty-sixth year opens September 11th under the management of Mrs. A. R. Bourne and Miss Alice Lloyd, late of Hamilton College, Lexington, Ky. Buildings commodious; hot and cold baths and closets; recitation-rooms large, entirely above ground, well lighted and ventilated. Grounds consist of fourteen acres, affording ample space for tennis court and other out-door amusements; commanding a hill overlooking the beautiful little city of Richmond, within a few minutes walk of the business portion, thus combining the advantages of a city with the retirement of a country seat. Mrs. Bourne and Miss Lloyd will be supported by an able corps of teachers, graduates of our best colleges and universities. Music faculty complete; of acknowledged ability. Boarding department limited to thirty boarders, thus affording opportunity for social intercourse between faculty and students in sitting-room and parlors, impossible in large boarding schools. For catalogues and all information concerning the school address

TESTIMONIALS.

LEXINGTON, KY., May 20th, 1894.
It gives me pleasure to say that I am well acquainted with the character and work of Mrs. A. R. Bourne and Miss Alice Lloyd, and that I think the Madison Female Institute very fortunate in securing their service in its management. They are both ladies of culture, executive ability and of skill in the art of teaching. No parents in Kentucky or elsewhere need hesitate to place daughters under their care or instruction.
J. W. McGARVEY.

To whom it may concern: Having learned that my friends Mrs. Anna R. Bourne and Miss Alice Lloyd have engaged to take charge of Madison Female Institute, it gives me pleasure to say that they are in my opinion in every way qualified for the responsible position. These ladies have had fine opportunities of learning the best methods of teaching in some of the most celebrated seminaries in the land. This combined with rare ability and some ten or twelve years experience in the schoolroom, gives assurance of success in their undertaking. Mrs. Bourne and Miss Lloyd as Associate Principals will be aided by a corps of able teachers; and from my knowledge of their ability, energy and Christian culture, I am sure they will do good service in the cause of Christian education. In this expectation I commend them and their enterprise to the patronage of the public.

The success of Mrs. Annie M. Beam, of McKeesport, Pennsylvania, in the treatment of diarrhoea in her children will undoubtedly be of interest to many mothers. She says: "I spent several weeks in Johnstown, Pa., after the great flood, on account of my husband being employed there. We had several children with us, two of whom took the diarrhoea very badly. I got some of Chamberlain's Colic, Cholera and Diarrhoea Remedy from Rev. Mr. Chapman. I cured both of them. I knew of several other cases where it was equally successful. I think it cannot be excelled and cheerfully recommend it." Twenty-five and 50 cent bottles for sale by Theo. C. Power, Druggist.

Mr. Thomas Batte, editor of the Graphic, Texarkana, Arkansas, has found what he believes to be the best remedy in existence for the flux. His experience is well worth remembering. He says: "Last summer I had a very severe attack of flux. I tried almost every known remedy, none giving relief. Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended to me. I purchased a bottle and received almost immediate relief. I continued to use the medicine and was entirely cured. I take pleasure in recommending this remedy to any person suffering with such a disease, as in my opinion it is the best medicine in existence." Twenty-five and 50 cent bottles for sale by Theo. C. Power, Druggist.

The Monk!

By MATTHEW G. LEWIS, (MONK LEWIS.)

Mr. Lewis was a member of the British Parliament, and his book became so popular in England a hundred years ago that it gained for him the title of "Monk Lewis."

It is a fine piece of classic composition, and after being out of print for many years it has been republished from the original text.

It is far superior to "Maria Monk" and books of that character.

Do what we will, it is impossible to follow after the Carriers and see that they leave papers at the house of each subscriber every day. Our orders to them are positive. For years we have kept standing at the head of the editorial page a notice requesting subscribers to REPORT ANY DELINQUENCY TO THIS OFFICE. Again we request subscribers who do not receive their papers regularly to make complaint at the OFFICE, and not wait until the end of the month and say to the Collector, "I only got three papers this month," or "I don't get the paper half the time." If you would aid us in the desire to serve you promptly, please report all delinquencies to THE OFFICE, where they will be corrected.

To Western Emigrants—If you are going West, Northwest or Southwest, write to the Garrison Traveling Passenger Agent B. and O. S. W. Railway, (Ohio and Mississippi Railway), who will quote you lowest emigrant rates on passengers, household goods, stock and emigrant movables to any point in the West, Northwest or Southwest.
